

## 2 in 1 USB Power Charger Cable Dock and Micro USB

Product Code: **BPID/USB/M**  
Barcode: **6002844055707**

- Supports iPads/ iPhone/ iPod and devices with micro USB ports
- Both sync and power charger function for dock port

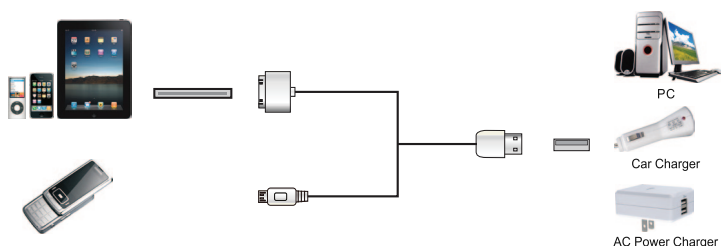

### 2 in 1 USB Charger Cable

USB power charger solution for iPad/iPhone/iPod and the devices with micro USB port. The cable connects to your iPad/iPhone/iPod via dock 30pin connector, to devices with micro USB port via USB connector for power charging at the same time.

There are both sync and power charging function for dock port, but only power charging for micro USB, when it connects to the computer.

Important notice: Some devices with micro USB ports doesn't support power charging, please read your device's manual or ask your device supplier for more details.
