

# Maintenance Free Deep Cycle Battery (Standby) 102Ah 12V

Product Code: FBIB102  
Barcode: 6002844058050

- Calcium alloy grids and plates to minimise corrosion.
- Envelope separators to eliminate internal short circuits.
- High density active material formulation.
- Glass matt backed separators for active material retention.
- Oversized internal inter-cell connector cross section.
- Central venting system.
- Flashback arrestors.
- High impact strength container.
- Built-in State of Charge Indicator.

## Maintenance Free Deep Cycle Battery

A sealed lead acid battery is suitable for automatic standby power requirements.  
May also be used for small PV systems with battery SOC (State of Charge) disconnect protection.

## TECHNICAL INFORMATION

### Specifications

|                    |     |
|--------------------|-----|
| Operating voltage: | 12V |
| Capacity at 20Hr:  | 102 |

## THE PACKAGE CONTAINS

1 x Maintenance Free Deep Cycle battery

## PACKAGING DIMENSIONS

|              | Weight (kg) | Height (mm) | Width (mm) | Depth (mm) |
|--------------|-------------|-------------|------------|------------|
| Package      | 26.5        | 328         | 171        | 219        |
| Nett. Weight |             |             |            |            |
