

PoH Receiver over HDBaseT

Product Code: BPHDPWR
Barcode: 6002844066901

BPHDPWR is an ultra-thin HDBaseT Receiver designed with audio de-embedded outputs including Optical, Coaxial and Stereo. It receives 4K/1080P HDMI signal via CAT6 shielded cable from HDBaseT transmitter BPHDPWP at 40m/70m.

- HDBaseT integrated on output to transmit 4K UHD 40m and 1080P 70m.
- HDCP 2.2 compliant.
- Two-way PoH.
- Multi-format audio de-embedded from HDMI Output on Optical, Coaxial and Stereo.
- IR & RS232 pass through.
- Ultra-thin aluminum chassis.
