

# Surge Safe Power Protector

Product Code: FBWPPE

Barcode: 600284405 8098

**High Surge Protection**  
**R30 000**  
**Warranty**

Repair or Replace warranty terms and conditions apply.

- Protects 2 appliances only
- Safety shuttered

## Surge Protection Solution

A surge is an abnormal but temporary high voltage on the electrical mains caused by non-direct lightning strikes from noise possibly produced by the use of heavy duty appliances, heavy duty machinery or large power tools. Don't risk losing your valuable equipment through surges, protect them with the Surge Safe Power Protector plug.

## SAFE ELECTRICAL WIRING CONNECTION

Indicator light shows that the Surge Protector is working correctly.
